We are almost there!

We are \$6,195 away from having the funds needed to order a new power stretcher for our community! And, if we can raise 50% of that – just \$3,097.50 – Speare Memorial Hospital will donate the remaining \$3,097.50 to get us to our goal!

Please help us get this wonderful piece of equipment which will make lifting safer for the patient as well as the provider. We are thankful for the following donors thus far: Speare Memorial Hospital, Walk 2 Campus, and Walmart.

Please contact Plymouth Fire-Rescue at 536-1253 to arrange to make a donation.
