

Plymouth Fireman's Association

Operation Santa Claus

2020

The Plymouth Fireman's Association Operation Santa Claus program is intended to assist families with children twelve years old and younger in the Plymouth community during the holiday season. Operation Santa Claus offers a little something extra for children and families during difficult financial times.

If you would like to take part in our Operation Santa Claus program please complete the second page of this application. Be sure to include a phone number and return the form in person to the Plymouth Fire Department, 42 Highland Street, Plymouth NH 03264 **by December 1st**. In addition, please bring documentation, such as a utility bill, verifying your physical address. Gift pick up is scheduled for **Saturday, December 19th between 9:00am and 11:00am** at the Plymouth Fire Department.

Due to the Coronavirus (COVID-19) pandemic we have made changes to the pick up procedure. In an effort to ensure safety for you and our association members this year we unfortunately will not have Santa Claus and refreshments as in years past. Instead, when you arrive you will be greeted by an association member in the parking lot and gifts will be brought out to your car.

Keep this page as a reminder of the details of the program. If there are any questions about the program please call 536-1253.
